Melissa Morgenland

Subject
Start of WarmtelinQ work in the Tripstraat

Dear resident,

On Thursday 12 October Heijmans will be starting work on the road in your neighbourhood. We'll be laying a heat pipe underground. This is the WarmtelinQ project. We'll be carrying out the work in two phases: the first phase is from 12 October 2023 until December 2023, and the second phase is from autumn 2024 to spring 2025. In this letter you can read about the work that starts in October 2023, and what you can expect because of it.

We'll be starting our work in the Tripstraat on Thursday 12 October.
We'll be laying the heat pipeline in phases:

1. We'll start by clearing our work area, then cordoning it off with site fences.
2. The pipeline will be laid in the ground by 'open excavation'. This means we'll dig open part of the street, where the pipe will be laid.
3. Once the hole has been dug we'll put in parts of the pipe one by one, and weld these together.
4. After this we'll close the hole and resurface the street.

Construction inevitably causes some inconvenience, but we'll try to avoid this as much as possible.
You live close to our work, so you'll probably to notice some of it. You can expect the following:

Fumes and dust
From windblown dust and exhaust fumes

Noise
From excavators or pumps.

Different route
The Tripstraat will be partly closed.

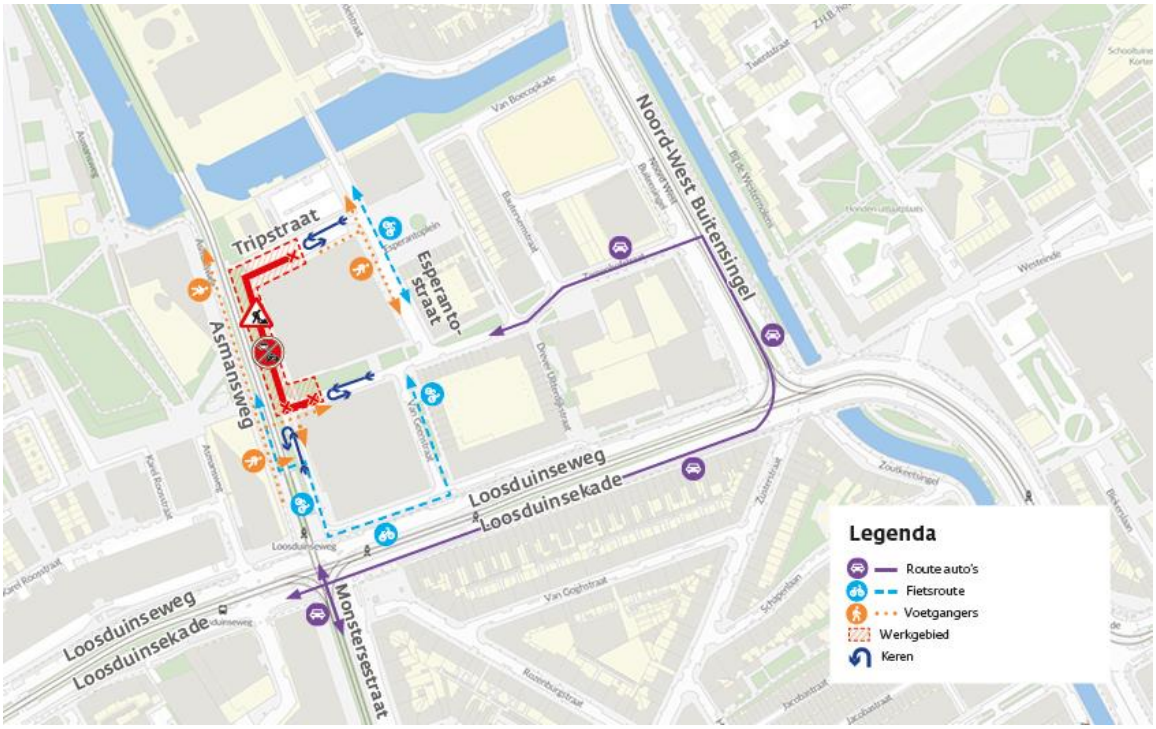

Road closures
Some streets will temporarily become dead-ends.

Vibrations
Our lorries cause vibrations.

You can't park everywhere on the Tripstraat, but you can park in the Zamenhofstraat, the Esperantostraat or anywhere else in the neighbourhood.
The work will need space, so part of the Tripstraat will be closed. The Tripstraat past the entrance to 'Het Zamen' will be closed to cars.

Taking your bike or going on foot?
The pavements will remain open. For cyclists there'll be a diversion via the Esperantostraat. The map below shows all the routes.

A few things will be different for a while:

- Fire service and ambulance: homes and businesses will be accessible at all times in case of an emergency.
- Disabled parking spaces will be temporarily relocated. Users will receive a separate letter about this.
